

TRUTERRA

# SEEK FUNDING FOR SUSTAINABILITY PRACTICES WITH TRUTERRA AND FARMRAISE

## UNLOCK FINANCIAL SUPPORT FOR REGENERATIVE PRACTICES

### FarmRaise

By working with Northern Country Coop, you may be eligible for a complementary, one-year FarmRaise membership. FarmRaise is a farm funding platform that helps farmers apply for grants and financial assistance programs for on-farm regenerative practices all in one spot.

- The online FarmRaise platform streamlines the Environmental Quality Incentives Program (EQIP) application process making it easier for farmers to seek funding to help implement regenerative practices.
- Farmers are quickly and easily matched with relevant funding programs from FarmRaise's library of more than 1,000 funding opportunities.

## GET STARTED

### ENROLL

Follow the link below to complete a short, 2-minute survey to be matched with relevant funding programs and sign-up for your complementary one-year FarmRaise membership.

### CONSULT

A FarmRaise funding expert is available to consult with you to identify grants to apply for over the year.

### MINE OPPORTUNITIES

Enrolled farmers will receive email updates with relevant grant or financial assistance programs and guidance from funding experts on how to apply.

### APPLY

Utilize the complimentary one-year FarmRaise membership from Truterra to connect with a FarmRaise representative anytime while applying for funding during the year.

### GET STARTED TODAY.
